

Single Event Permit Applications & Refunds COVID-19 Protocol

Based on national and state mandates and guidelines regarding COVID-19, DABC will **not** be accepting any **in-person** single event permit applications or refunds for at least the next two weeks, possibly longer.

Please contact Anita Knowley at aknowley@utah.gov or (801) 977-6834 for information and instructions on how to apply for permits or refunds electronically.

Additionally, DABC will be taking into consideration recommendations made under the Utah Department of Health Public Health Order, dated March 17, 2020, prohibiting gatherings of more than ten people into consideration when approving event permits.
