A state on-premise beer retailer tavern license allows the sale of beer at retail for on-premise consumption at a tavern. The state license is in addition to any beer license required by a local government. A tavern includes the following establishments that are engaged primarily in the retail sale of beer for consumption on the establishment's premises: a beer bar, a parlor, a lounge, a cabaret, or a nightclub. Only one tavern license is required for each building or resort facility owned or leased by the same applicant. Licenses run from March 1 to the last day of February. There is a quota on the number of tavern licenses of one per 54,147 people in the state. Liquor and flavored malt beverages may not be stored or sold on the premises of a tavern.

Purchases of Beer
• Tavern licensees must purchase, acquire, possess for resale, or sell beer that has been lawfully purchased from a Utah wholesaler who is authorized to sell beer in the geographical area in which the tavern is located, or from a small brewer (manufactures less than 60,000 barrels per year).

Sale and Service of Beer
• Beer may be sold and served in open containers in any size not exceeding 2 liters and on draft. • Beer may be sold to an individual patron only in a container that does not exceed one liter. • Beer may be sold by the pitcher (larger than one liter and up to two liters) to two or more patrons. • Beer sold in sealed containers may be removed from the beer retailer's premise.

Sales and Consumption Hours
• Beer may be sold from 10 a.m. until 1 a.m. • Taverns must remain open an extra hour after alcohol sales and service have ended to allow a patron to finish consuming any single serving of beer not exceeding 26 ounces purchased before sales ended. Taverns do not have to remain open after all patrons have vacated the premises, or during an emergency. • Hours of Consumption. Consumption of beer in taverns is prohibited between the hours of 2 a.m. and 10 a.m.

Discounting Practices Prohibited
• Beer may not be sold at a discount at any time. • Discounting practices are prohibited that encourage over-consumption of alcohol (i.e. “happy hours”, “two for ones”, combination pricing, “all you can drink for a set price”, free alcohol, or selling at less than cost). • A tavern licensee or employee may not purchase an alcoholic beverage for a patron.

Consumption on the Premises
• An open container primarily used for drinking purposes and containing beer, may not be removed from the premises.

Minors
• Minors may not be employed by or allowed on the premises of a tavern.

Employees
• Any employee who sells, serves, dispenses, or handles beer must be twenty one years of age or older. • Employees may not consume or be under the influence of alcoholic beverages while on duty. • Servers of alcohol must wear a unique identification badge showing the employee's first name, initials, or a number assigned by the employer. • Managers, supervisors, and employees who serve alcohol must take and pass an alcohol server training seminar every three years and must complete the training within 30 days of commencing employment.

Employee Fines
• The commission is authorized to assess an administrative fine against an officer, employee, or agent of a licensee for a violation of the alcoholic beverage laws.

A state license that authorizes the sale of beer on the premises also authorizes the licensee to sell beer on draft regardless of the nature of the business (e.g. cafe, restaurant, pizza parlor, bowling alley, golf course clubhouse, club, tavern, etc.). (REVISED APRIL 22, 2005)
Suspension of Special Occupational Tax Payments

Washington, D.C. - On October 22, 2004, H.R. 4520, the American Job Creations Act of 2004, was signed into law. As part of this act, the payment of Special Occupational Tax (SOT) will be suspended for certain businesses.

Although most taxpayers no longer will have to pay this tax during the suspension period, others will still be required to continue paying, and all taxpayers must still file the SOT Tax Return (TTB Form 5630.5) annually with the Alcohol and Tobacco Tax and Trade Bureau (TTB).

Currently, SOT is due by July 1 of every year for most businesses engaged in alcohol and tobacco industries at the manufacturing, wholesaling/importing, and retailing levels (tobacco retailers are not included).

With this new law, most SOT taxpayers will no longer be required to pay this tax for the period beginning July 1, 2005. The suspension of the SOT requirement will last three years and ends on June 30, 2008. No SOT is due for operations conducted between these dates.

Payment of SOT will no longer be required from producers, wholesalers, importers, and retailers of alcohol beverages, as well as manufacturers of non-beverage products.

SOT will remain due by Tax-Free Alcohol Users and Specially Denatured Alcohol Users and Dealers as well as Tobacco Products Manufacturers and Tobacco Export Warehouse Proprietors.

For all industry members, SOT remains due and payable for all persons in business and any new business until July 1, 2005. Any liabilities up until that date will still be due, even during the suspension period.

If you have questions regarding the suspension of SOT, please contact TTB’s National Revenue Center at 1-(800) 937-8864 or (513) 684-2979.
