

REQUIRED MANAGER TRAINING CLASSES

Effective January 2018

EVERY MANAGER working in a DABC retail licensed business must complete a Manager Training Program as a **condition of renewing their DABC license**. Any new manager being added to your license must complete the manager training program and have their background check completed within 30 days of hire as a manager.

A “manager” includes owners and employees that act in a supervisory or managerial capacity over the furnishing of an alcoholic product. The current renewal cycle is for Bars, Equity and Fraternal Clubs. Each of these individuals shall be listed on the renewal form and must successfully complete the training program prior to June 22, 2018.

Anyone attending a training must bring a picture ID and a pen/pencil.

ALL NEW DABC APPLICANTS are required to obtain management training as well, and all managers must be trained as a condition of receiving a DABC license.

MANAGER TRAINING DATES:

Trainings will be conducted at the DABC (*unless otherwise noted*) at 1625 South 900 West in Salt Lake City and the cost is \$25 per manager. Call ahead and register as seating is limited. Remember that the last date to complete the training for new applicants is prior to obtaining licensing.

*(Trainings held anywhere other than DABC must be paid with **checks only**. No Cash or Credit Cards can be accepted).*
